Please be advised of the following:

What is the Status of This Case?

This case was filed on December 12, 2012, to obtain payment of unpaid overtime wages and liquidated damages for EMS Employees. On August 12, 2016, Honorable Barry M. Kurren, United States Magistrate Judge in the United States District Court for the District of Hawai'i, approved the stipulation between the EMS Employees and the City and County that appointed David M. Breshears, CPA/CFF, of the forensic accounting firm of Hemming Morse as a Special Master, in this matter for purposes of calculating unpaid overtime and liquidated damages, if any, for the 10 sample EMS Employees in this case.

Judge Kurren's order stated that the Special Master was authorized to determine the: (1) regular rates of pay; (2) unpaid overtime; (3) late paid overtime for each of the 10 sample EMS Employees from December 2009 through the present; and (4) any other data necessary to make findings and inform the Court of the unpaid and/or late paid overtime for the 10 sample EMS Employees during that period, and liquidated damages, if any.

The Special Master's calculations have been completed. The Special Master has calculated the amounts of unpaid and liquidated damages owed to the 10 sample EMS Employees. The Special Master has calculated the amounts owed to all EMS Employees based on the average amount owed to the 10 sample EMS employees for each week of work during the period from December 2009 through the present. That amount was then applied to the other EMS Employees for each week they worked during the same period. The Special Master has calculated the overtime and liquidated damages that would be awarded to you, using this model

You are receiving this Notice to inform you that the Court will consider and rule on the Special Master's damages calculations and arguments asserted by the City and County against your claims. **This Notice does not mean that damages have been or will be awarded to you. You will not be able to make a claim in this case unless you submit the Opt In form BY NOT LATER THAN JUNE 1, 2017.** Further legal proceedings, including a trial, may be necessary to determine what amount of unpaid overtime and liquidated damages, if any, will be awarded to you or other EMS Employees.
